

Money War

This game is played used the *Money War* cards.

1. Shuffle the cards and divide them equally between 2 players. Keep cards in a pile face down.
2. Each player flips over a card at the same time and totals the amount of money on the card.
3. The player with the greater amount wins and collects both cards.
4. If the cards are equal amounts, each player flips over another card. The player with the greatest amount keeps all the cards.
5. Once a player runs out of cards, they are eliminated.
6. The winner will have all of the *Money War* cards.
